

TEACHER EVALUATION OF WORK PLACEMENT

The purpose of this evaluation is to obtain teachers feedback on their classes work placements. The feedback helps ensure that the program offers student's quality work placements that meet their skill development needs. The information that you provide will be used to improve the quality of the program

Teacher Name:	
Framework:	
Dates of Workplacement:	
Were any students absent from/or had to cancel their work placement? If yes please provide full details of when and why.	
Did any of your students encounter problems at their work placement that you think we should investigate?	
If there were problems – How were these problems resolved?	
Do you have any suggestions for improvement of Work Placements.	
Did you visit or phone your students during their Work Placement week.	
<input type="checkbox"/> Phoned	<input type="checkbox"/> Visited
General Comments:
